## Call for Fellowship

### FIF - NIH FELLOWSHIP

#### *“MIF in progression and treatment of ALD”*

#### Call for Applications

1. The Fondazione Italiana Fegato (Italian Liver Foundation) launches a fellowship on “*MIF in progression and treatment of ALD*” for six months, possibly renewable targeted to medical doctors with master degree.
2. The fellowship will be awarded to spend 12 months (from September, 1<sup>st</sup> 2013 to August 31, 2014) at the “poliambulatori AUSL Campogalliano, distretto Carpi”, MODENA to perform the clinical portion related to the project. In particular the fellow will recruit the patients belonging the Dionysus cohort and check health status to describe the natural history. The total sum of the fellowship will be of 9.000,00 € including tax, insurance and travel costs.
3. The fellow is expected to work under the supervision of Dr. Stefano Bellentani who will be responsible for the training and research project. The fellow is also expected to provide a report on her/his activity at the end of the fellowship. The report must be signed by the project supervisor.
4. The deadline for application is August, 31, 2013. Applications will be collected by e-mail [segreteria@csf.units.it](mailto:segreteria@csf.units.it) by the FIF. Any pertinent document the applicant thinks useful (papers, reports, etc.) must be included.
5. Applicant needs to have a degree in Medicine, obtained within the starting date of the fellowship and must be below 38 years old.
6. The selection will be performed by a scientific committee composed by members of the CSF and external experts (if necessary), chaired by the Director of CSF. The winner will be notified by August 28, 2013. The starting date of the fellowship will be September, 2<sup>nd</sup> 2013.
7. Any paper or communication at international or national meetings reporting data collected during the FIF Fellowship must indicate the source of support.
